</table>
Activities/Interventions moving forward

• AbaQulusi remains our weakest link as they don’t have a dedicated person for HIV & AIDS programmes, thus a letter has been written to Her Worship to identify one official.

• Monitoring and Evaluation (M&E) Training has been conducted with all data coordinators as was supported by OTP.

• During the DAC held on 04/04/2015, a resolution was taken that DAC Chairperson should visit LACs and Municipal EXCOs be invited to such meetings.

• LACs have to identify 05 War room which are poor functioning to mentor and support.
