

South African Voices:

Towards a Museum of HIV Memory and Learning

Exhibition Installation

- ❁ Content for all zones is in the final stages of development
- ❁ Content has been development with multiple stakeholders from a range of organisations in South Africa.
- ❁ Design of all panels is well advanced
- ❁ Printing of panels commences this week
- ❁ Youth ambassadors have been selected to support logistics during the week prior to the conference and the week of the conference
- ❁ Beyond the conference there will be staffing on site to help visitors navigate each exhibit
- ❁ Audio-Visual support will be provided on site to enable people to “Add their Voices” to the exhibition. This is a partnership with Positive Vibes / DoTV

Exhibition Installation

- ❁ Press releases have been approved and circulated
- ❁ The launch date is set for 11 July 5.30 for 6pm
- ❁ The launch invitation will be circulated by early next week
- ❁ The programme for the launch event has been developed in consultation with eThekweni Municipality.
- ❁ The launch event will include the Nkosi Johnson Memorial Lecture and testimonials by well known PLHIV

Global Village

Photo by Mike McFadyen

- ❁ The Global Village stall is confirmed as an exhibition not a stall – greater visibility and room for participation
- ❁ Production of the Light of Hope chandelier has commenced with the Nkosi Johnson Youth Summit and other youth activations
