INTRODUCTION

-  World AIDS Day is held on 1 December each year
-  It is an opportunity for people worldwide to unite in the fight against HIV,
-  To show their support for people living with HIV and
-  To commemorate people who have died.
-  World AIDS Day was the first ever global health day and the first one was held in 1988.

INTRODUCTION

The focus for commemoration of World AIDS Day 2016 is two pronged:

- Firstly, it will seek to encourage citizens residing in KZN to know their HIV status.
- Secondly, it will seek to highlight the Universal Test and Treat programme

KZN WORLD AIDS DAY

- MEC Champions and Mayors will host the events in their respective Districts
- Venues will be decided by the district champions
- Recommendation of 2500 participants
- MEC Champions together with mayors will avail budget for the district event

WAD 2016: NATIONAL EVENT

- A national event – Gauteng selected as host province
- Event will be held in Tembisa – Ekurhuleni Metropolitan Municipality because:
 - *Municipality with the highest incidence of new infections in Gauteng*
 - *Reported cases of human rights abuse especially in the LGBTI communities*

GLOBAL THEME FOR WAD 2016

PROPOSED NATIONAL THEME FOR WAD 2016

It is in our hands to triumph

It is in our hands to end HIV and TB

RATIONALE FOR THEME

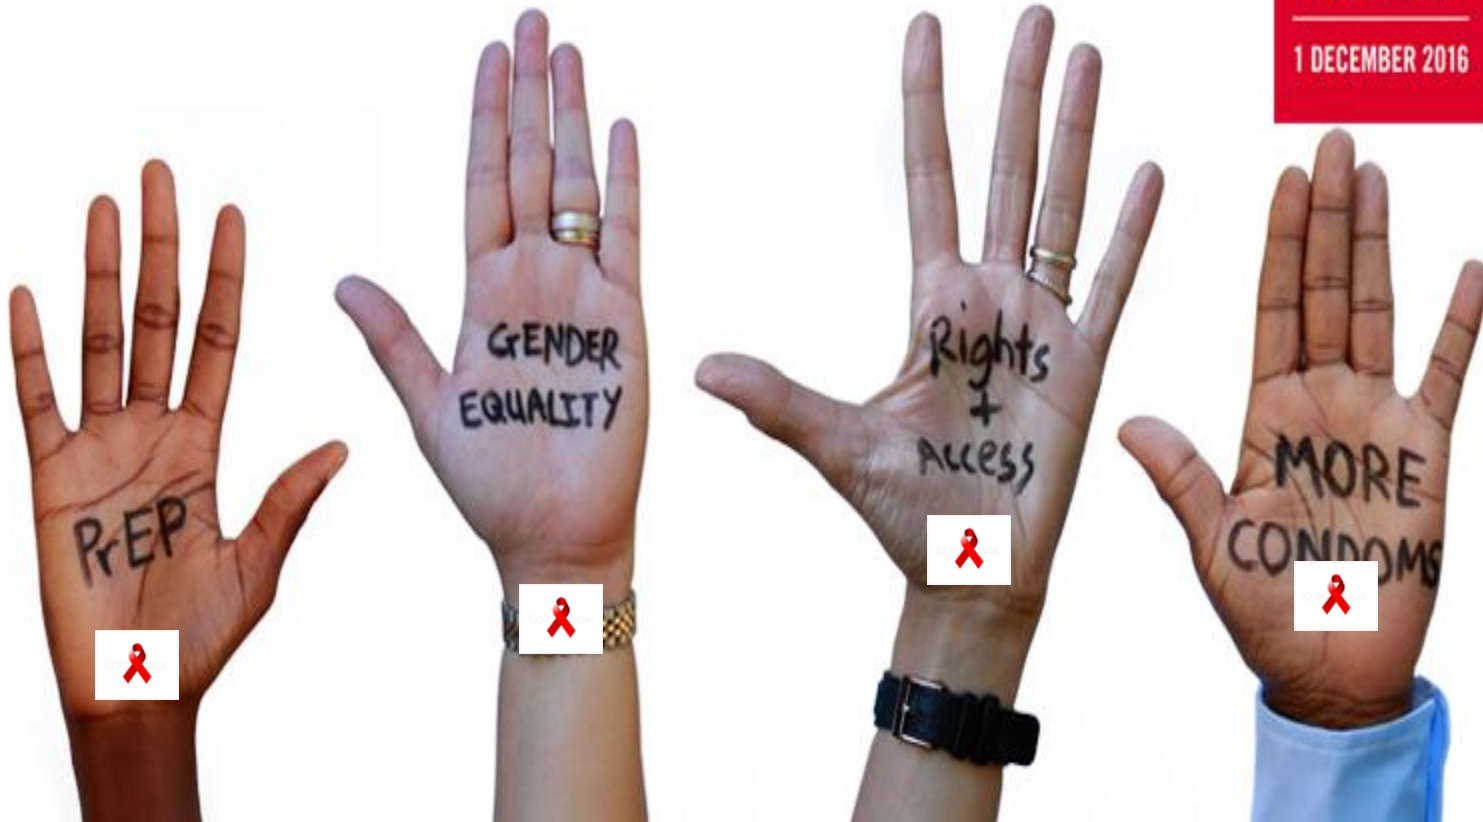

- ***IT IS IN OUR HANDS TO TRIUMPH because:***
 - We are a ***pro-active country in the HIV, TB & STIs response***
 - We have ***formed a strong partnership*** between government, civil society, business and labour for our collaborative response
 - We have ***developed and adopted a National Development Plan Vision 2030*** which guides our efforts
 - We ***all contribute towards the development of the Provincial Strategic Plan for HIV, TB and STIs 2017-2022***
 - We ***all commit to march towards ending AIDS by 2030***

OBJECTIVES

- Through WAD South Africa should:
 - look back on milestones achieved;
 - reflect on missed opportunities going forward with the new NSP 2017 - 2022 / PSP 2017-2022
- WAD should be used as platform that creates linkage with the NDP through **POLICY IN ACTION**

CONCEPT FOR WAD 2016

BUILD UP ACTIVITIES

INTEGRATED EVENTS THAT SHOWCASE THE JOURNEY TRAVELLED SINCE THE LAST PROVINCIAL STRATEGIC PLAN FOR HIV, TB AND STI 2012 – 2016 (PSP 2012-2016)

- Civil society sector events
- Local municipal events
- Implementation of events demonstrating how the different sectors are responding to the epidemic

BUILD UP CAMPAIGNS

- Through the development of the new PSP - as will be demonstrated during the build up activities towards WAD 2016, the following will be displayed amongst others:
 1. Getting to the three zero's and reach 90-90-90 by 2030,
 2. How local responses need to be seen in the context of Community Systems Strengthening.
 3. How communities have always played a pivotal role in the response and what needs to be done to bring this to the fore (**social and behavioural approaches working in tandem with biomedical approaches**).
 4. Unique ability and responsibility to identify, understand and respond to the needs of those who are marginalized and vulnerable in societies.
