No. of clubs provided with equipment and/or attire	100	295	The target was over-achieved as budgets were reprioritised fromleague support to dub support due to limitations imposed upon physical activity and exercise. Uthukela District were also able to support 192 clubs with first aid kits in preparation for the 2021/22 season.	The transition from Club Development to a Ward-based Intervention Programme will impact positively on the number of clubs that we can support and where we can fast- track development.	275	514
