On 30 October 2018, the Minister of Transport, Dr. Blade Nzimande closed the Department of Transport's October Transport Month campaign for 2018 with the officially opening the long awaited and much anticipated world-class Mt. Edgecombe Interchange. The award-winning Mt. Edgecombe Interchange is more than a masterpiece of architecture. It is a vital artery of the greater eThekwini Metropolitan highway system for easing traffic, relieving congestion and is also a significant enabler of business. The Mt Edgecombe Interchange was constructed at a value of R1,14 billion. This world-class infrastructure was completed in July 2018 with the intersection becoming another construction achievement to be added to the list of iconic bridge structures undertaken in KwaZulu-Natal by the South African National Roads Agency Limited (SANRAL), working with the KwaZulu-Natal Department of Transport and eThekwini Metro. Traffic congestion resulting in vehicles backing up on the M41 and onto the N2 affecting some 40 000 vehicles during peak hours has already become a feature of the past with the Interchange having changed the landscape of the province and country.

KZN Premier Willies Mchunu pledges Provincial Government support for historic Schools in the Province

Addressing the inaugural gathering of the Pholela High School Alumni Association in Durban on Saturday, Premier Mchunu announced major refurbishments for the Bulwer-based institution which, owing to years of neglect dating back to 1937, is in a serious state of deterioration. Premier Mchunu was a learner at Pholela from 1964 to 1967. Following a visit during Cabinet Operation Sukuma Sakhe in 2016, the Department of Education conducted an assessment and found that conditions at Pholela were also unsafe. Premier Mchunu welcomed the financial injection to revamp Pholela High School.

"Pholela will be extended into a larger educational centre, offering a mix of commerce, science, engineering and graphic art-focused curriculum. It is expected that the new school will be ready for handover in 2022, with the intake increasing from 800 to 1000 pupils. The Departments of Education and Public Works are leading the tender process for both the major refurbishment and minor repair and maintenance of Pholela High School. "We must see ourselves as post-apartheid missionaries who want the child of Africa to have a good, if not world-class education. Like similar historic formerly church-run institutions, Pholela High School must continue to live and grow even stronger. We want choices for the children of KwaZulu-Natal, not fewer.

At the same time, those educational choices must provide a safe, secure, healthy and productive environment for learners who are ready to function in a modern, technologically-driven world. "Mission schools such as Lovedale, Pholela and many others, were islands of quality in an environment geared to undermine the destiny of the black child. Mission education produced an intellectual class that would see themselves as no less than their white counterparts. "They instilled values of intellectual quality, hard work, discipline, honesty and spiritual uprightness, characteristics that allow any learner to thrive anywhere in the world. In many ways they also produced patriots and revolutionaries. "Today institutions like Pholela are caught between the need for quality education and the reality of inadequate infrastructure and public finances. These institutions are victims of our success in broadening access to education. Model C schools have taken up many learners who would otherwise go to schools such as Pholela, Mariannhill, Amanzimtoti, Inkamana, Inanda Seminary, Ohlange Institute, Little Flower and Ixopo Seminary among others.

"As a result these schools require funding from government. In the process, many have lost their independence and character, which previously set them apart from the rest. "The structural refurbishment of Pholela is very urgent and necessary.

We however have an opportunity to ensure proper and ethical management of the school, the redirection of the curriculum to reflect better the needs of the modern world and critically, active involvement of the community, students, parents and Alumni in ensuring the financial welfare of the school. One feature of all successful schools is this – the active involvement of the community, students, parents and alumni".

FIRST LADY LAUNCHES THE ZODWA MCHUNU FOUNDATION

THAMI NGIDI

On 28 October 2018 the Spouse to The Premier of KwaZulu Natal Mrs Zodwa Mchunu launched the Zodwa Mchunu Foundation (ZMF) at the Gugu Dlamini Park next to the Workshop in Durban.

Through the Zodwa Mchunu Foundation, the Spouse to the Premier wants to formalise the activities of her office. Mrs Mchunu said the ZMF would work with government on specific programmes, but also help broaden the reach and impact of the work of the Spousal Office.

The Zodwa Mchunu Foundation would coordinate the efforts of government with those of the private sector, for purposes of collaboration on social responsibility programmes.

"Working together with our partners in the private and public sectors, we can improve the lives of the citizens of KwaZulu Natal. "In particular, we have chosen to focus on the vulnerable and the destitute, Mrs Mchunu said the ZMF will work with girls and women affected by trauma and abuse. "We will be working with girls and boys affected by violence, HIV and Aids, and who as a result, are forced to head homes before their time; We will be working closely with the homeless and the displaced; We will also focus on programmes that reconstruct the family, said Mrs Mchunu. Mrs Mchunu believes that the family is central to a stable KwaZulu Natal.

"Supporting families also means supporting single parents, especially single mothers. Many single parents, under very trying circumstances, are bringing up solid and upright children who are growing up to be upright and outstanding contributors to humanity".

Abafundi basayinde umqulu wokuzibophezela

SBONISIWE SHEZI

Abafundi bamatikuletsheni bathembise ukuziphatha ngendlela efanele ngesikhathi sokuhlolelwa izivivinyo zokuphela konyaka.

Lokhu bakufunge ngesikhathi uNgqongqoshe wezeMfundo KwaZulu-Natali, uMthandeni Dlungwana, ebambe umcimbi wokusayindwa komqulu wokuzibophezela kwabafundi njengoba besekusele izinsuku ezimbili ngaphambi kokuba hbahlalele iphepha lokuqala le Computer Application Technology.

Lomcimbi wesiFundazwe ububanjelwe eStanger High School ngaphansi kwesiFunda iLembe mhlazi -12 kwephezulu. iNhloko yoMnyango wezeMfundo KwaZulu-Natali, u Dkt Enock Nzama ubonge ukubakhona kwazo zonke izihambeli ebezikhona kulo mcimbi, obekubalwa abaholi bazozonke izifunda ezakhele iKwaZulu-Natali, izinyunyana zothisha, izikhulu zoMnyango wezeMfundo, oThishanhloko, othisha kanye nabafundi.

Ube esethi ukusayindwa kwalomqulu wokuzibophezela kuzonqanda zonke izihibe ezingaba yimbangela yokungahambi kahle kokubhalwa kwezivivinyo zalo nyaka.

Siyethembisa ukuthi sizozeseka izikole namabafundi bethu, ngoba asifuni ukuzwa kuthiwa kukhona umfundi ongayitholanga imiphumela yakhe ngoba esoleka ekukopeleni."

UNgqongqoshe uDlungwana ekhuluma kulomcimbi, uyale abafundi wathi kumele baziqhenye ngemiphumela abazobe beyitholile ngeqholo lokuthi abazange bathathe izindlela ezinqamulelayo.

Uqhube wathi, "sifuna ukuthi masinyusa izinga lemiphumela kulonyaka, silinyuse ngokukhulu ukuziqhenya ngokuthi izivivinyo zibeyiqiniso, akubanga nazenzo ezingekho emthethweni".

UNgqongqoshe ube eseqhuba ethi emagumbini okubhalela izivivinyo abafundi akumele batholakale nomakhalekhukhwini, ukushushumbiswa kwamapheshana abhaliwe okukopela, abonqaba usizo olungagunyaziwe oluvela kozakwabo kanye nothisha.

Wathi umabenza okungekho emthethweni ngesikhathi sokuhlolwa, imiphumela yabo iyobanjwa isikhathi eside kusenziwa uphenyo.

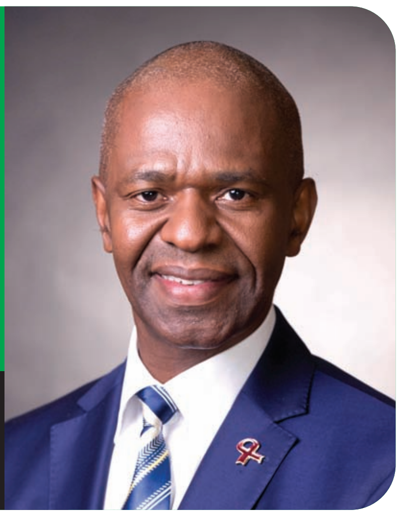
UDKT SIBONGISENI DHLOMO

UNGQONGQOSHE WEZEMPILO KWAZULU-NATAL



WETHULWE NGESASASA ELIKHULU OWOKUQWASHISA NGOMDLAVUZA

WETHULWE ngelikhulu isasasa umkhankaso kazwelonke wokuqwashisa ngesifo somdlavuza emcimbini obuKwaCaluza eMgungundlovu.

Bebephume ngobuningi babo abantu bezozibonela ngo-si njengoba kade ezifikele mathupha uNgqongqoshe wezeMpilo kazwelonke uDkt Aaron Motsoaledi, obephelezelwa wuMphathiswa wezeMpilo esifundazweni uDkt Sibongiseni Dhlomo, ukuzokwethula lomkhankaso.

Ngalomkhankaso uHulumeni uhlose ukuqhakambisa ukubaluleka kokuhlolela umdlavuza kusenesikhathi njengoba sekuvelile ukuthi lesi sifo esibucayi uma sisheshe satholakala kuba lula, futhi kushibhe, ukuselapha.

Kuhambe ngokwamagama enkehli, kwazise uMongameli uCyril Ramaphosa wethembisa ukwethulwa kwalomkhankaso ngesikhathi ethula inkulumo yakhe yeSimo seSizwe ngasekuqaleni konyaka. Kulomcimbi bekukhona nosaziwayo owumsakazi uXolani Gwala oke waphathwa wumdlavuza wamathumba (colon cancer), oseyinxusa eliqwashisa ngobungozi balesi sifo.

Kuvele ukuthi zinhlanu izinhlobo zomdlavuza ezihlupha umphakathi: owesibeletho, owebele, ophatha amadoda kwesingezansi, owamathumbu kanye nowamaphaphu.

Ngesikhathi kwethulwa lomkhankaso beyigcwele phama inkundla yezemidlalo yakwaCaluza. Kuphele usuku sekuhlolwe abesifazane abangu 1122 kanye nabesilisa abangu 261.

Uma kubalwa nomcimbi obusesibhedlela sase-Grey's emasontweni amabili wokuhlolela umdlavuza, bawu-2231 abesifazane abahloliwe, kanti abesilisa bawu 458.

UDkt Dhlomo ubonge leli gxathu elithathwe wuHulumeni lokwethula lomkhankaso, wathi lizokwenza lukhulu ukulekelela imizamo evele isikhona esifundazweni yokulwa nomdlavuza.

Unxuse abantu ukuba bahlolele umdlavuza njengoba lokhu kuzokwandisa imihla yabo yokuphila. "Kumqoka kakhulu ukuthi sisheshe sihlole isifo somdlavuza ukuze kuthi uma kunenkinga sisheshe sithole usizo.

Nginxusa wonke umuntu ukuthi ahlolele isifo somdlavuza. Uyabona nje uma umuntu wesifazane egeza ezicwala, akawathinte amabele akhe ukubheka ukuthi asikho yini isigaxa esisebeleni. Uyabona nje uma uphakamisa izandla zakho elinye ibele linganyuki njengelinye isuke isikhona inkinga. Phuthuma emtholampilo."

Ubalule ukuthi bangu-20% kuphela abantu abaphethwe wumdlavuza abasuke bedinga usizo ngokohlelo lwe-oncology, ngoba laba abawu-80% basuke bezosizakala kalula ngohlelo lokushiswa komdlavuza; ukunikwa amaphilisi kanye nokuhlinzwa.

Uthe kuningi osekwenziwe ukuqinisa ukuhlengwa kwabantu abanomdlavuza oxakile, laba abadinga usizo olubandakanya ukusetsheziswa kwemishini, kanye nodokotela abawochwepheshe (oncology). Lapha kubalwa:

• Odokotela be-oncology bababili esibhedlela sase-Addington; kanti kukhona owesithathu osanda kugogoda ozobajoyina maduze. Yomibili imishini ye-oncology kulesi sibhedlela isiyasebenza
• Ukuqashwa kwabanye futhi odokotela be-oncology esibhedlela sase-Nkosi Albert Luthuli Central Hospital ngaphansi kwenkontileka nenkampani yaseNyuvezi i-Wits Health Consortium; kanye abaqhamuka kwa-JMH abahlenga abantu abadinga i-oncology eNyakatho nesifundazwe, ezibhedlela zase-Ngwelezane nase-Queen Nandi Memorial Hospital (ebiyaziwa nge-Lower Umfolozi).
• Bakhona futhi odokotela be-oncology kanye nemishini esibhedlela esikhulukazi i-Grey's Hospital.

"Inkinga eke yaba khona ibiseThekwini, hhayi esifundazweni sonke. Esibhedlela saseNkosi Albert besinenkinga yokushiywa wodokotela abawochwephese kwi-oncology. E-Addington khona besinenkinga yokufelwa yimishini.

Kodwa isimo sesingcono kakhulu njengoba imishini yomibili isisebenza, futhi khona maduze nje sizobe sesinodokotela we-oncology wesithathu.

"Nesikhathi sokulinda ngaphambi kokuthi umuntu athole usizo lwe-oncology sesinciphe kakhulu, njengoba sesingamasonto amathathu kuya kwamane.

Abantwana bona abalindi nakancane." UGwala, oyintatheli

owaduma ohlelweni lwe-TV i-Asikhulume oseyibambe emsakazweni i-702, uthi yena uwubufakazi obuphilayo bokuthi isifo somdlavuza siyingozi: "Bantu bakithi lokhu ngifisa sikuthathi kalula isifo somdlavuza sikhona futhi siyingozi uma ungeke usheshe uthole usizo. Mina ngayiswa wenkosikazi wami esibhedlela ebona ukuthi kubi. Bengiphethwe wumdlavuza wamathumbi (colorectal) ogcine usudlulela nasesibindini. Bese ngisesigabeni sesine, esingozi kakhulu, nokuchaza ukuthi bese kukubi impela.

Ngihlinzwe kane ngenxa yokuthi bengingakaze ngiyohlolela isifo somdlavuza. Nina ninenhlanhla enkulu yokuthi uHulumeni anilethele eduzane izinsiza.

Ngakho lelithuba lisebenziseni. Ukube nami ngangihlola angabe angidlulanga ebuhlungwini obungaka." Enkulumweni yakhe uNgqongqoshe uDkt Aaron Motsoaledi uveze ukuthi uHulumeni uzimisele ngokufaka wonke amandla akhona ukusabalalisa ulwazi ngomdlavuza luze lufike ezingeni elifana nolwe-HIV kanye ne-AIDS.

Uthe iKwaZulu-Natali ne-Gauteng yizona zifundazwe ezihlenga abantu abanomdlavuza abaningi kunezinye. Uthe uHulumeni usekwazile ukuncenga ngempumelelo inkampani eyakha umjovo wokulwa nomdlavuza webele obizwa nge-Herceptin obukade ubiza R24 000, osuwehliswe waba wu-R6000.

Uma usudlange kakhulu umdlavuza isiguli sisike sesidinga lemijovo ibe wu-17.

Uthe umdlavuza ubhuqabhuqa abantu, kanti kulonyaka uwodwa nje, bangu-18.1 million abantu abaphethwe yiwo emhlabeni jikelele, futhi bangu 9.6 million abazobulawa yiwo.

Uthe umdlavuza ubalwa nezifo ezihamba phambili ekubulaleni abantu ngaphambi kokuba bahlanganise iminyaka ewu-70.

Uveze nokuthi phezu kwemizamo esiyenziwe yokuthuthukisa izinga okuhlinzeka umphakathi ngezinsiza-kusebenza zokulwa nomdlavuza, uHulumeni uzophinde afake igxalaba ethenge eminye imishini yokwelapha umdlavuza.

Uphinde wanxusa umphakathi ukuba uhlukane nemikhuba engalungile nebeka impilo engcupheni, njengokubhema ugwayi, uphuzo oludakayo, iziyobisi, kanye nokudla inyama kuze kweqe.

Uthe kubalulekile ukuba abantu bazivocavoce, badle nokudla okunezaqathi ukuze bangangenwa kalula yizifo.
