

## ETHEKWINI DISTRICT QUARTERLY REPORT OCT- DEC 2013

### Strategic Objective 1: Addressing Social & Structural Drivers of HIV & AIDS,STIs & TB prevention care and support.

INTERVENTION AREA	CHALLENGES	INTERVENTION
1. An increase in the number of people Age 25 to -49 reached with prevention awareness campaigns including anti gender based violence from 2300 to 5000 this quarter	To collect data from all stakeholders and ensure quality data source. We are still far from reaching the Target of 176 456	eThekwini District in partnership with Durban Magistrate Court held a 16 Day of Activism/ WAD & Human rights day on the 7 <sup>th</sup> of December 2012 this was a great success as it was supported by all stakeholders and community .
2. This quarter we see an improvement in the number of young people age 15to 24 reached with prevention awareness campaigns including anti gender based violence from 931 the previous quarter to 6000 this quarter	We are still far below the set target of 116 528	Community participation to increase the number of awareness campaigns and reporting
3. An increase in the number of registered OVC from 456 to 575		
4. We see a decrease in the number of registered OVC of School going age from 3695 – 1085	Data inaccurate improbable to decrease by two thirds in one quarter	
5. Number of registered OVC receiving care		

and support remain the same as in last quarter.		
6. We note an increase in the number of OVC's receiving care and support from 1651 to 2274	Funding of NGO's remaining a challenge.	The Office of the Premier is offering support to NGO's, and this will increase the number of OVC's receiving support.
7. A reported decrease in the number of teenage girls pregnant in School from 176- 50 this quarter		

**Strategic Objective 2: Prevention of new HIV, STI and TB infections**

INTERVENTION AREA	CHALLENGES	INTERVENTIONS
1.		
1. Baby PCR tested positive around 6 weeks is at a rate of 4%. Remains static at ¾ %		
2. Baby HIV Antibody testing at 18 months rate is 7%	The majority of babies eligible for testing at 18 months are not being tested	No integration with eight month immunisation programme
3. An improvement in ANC Bookings at 20 weeks is at 51%		Increase awareness campaigns in School Health Programmes.
4. Number of males aged 15 to 49 circumcised. Number has dropped from	Reason: The majority of youth were writing exams, and as a result most bookings were cancelled. We are still	Mobilisation strategy is more on the Community Health and traditional healers, MMC coordinators. Partner

<b>11340 to 4154.</b>	<b>below target of 15 000 per quarter.</b>	<b>NGO's, such as Valley Trust and Care Work have contributed to the number of MMCs done in order to improve the figures and target.</b>
<b>5. Number of new HIV tests carried out. We see an increase from 77941 in previous quarter to 78623 in this reporting quarter</b>	<b>We are still below the annual target of 1,379 255 and the quarterly target of approximately 345 000</b>	
<b>6. Number of Male Condoms reported distributed has decreased from 3 990 004 to 1 844 902</b>	<b>A decrease in the number of condoms distributed</b>	<b>To improve the coordination and monitoring of the condom reporting mechanism.</b>
<b>7. Number of female condoms distributed is 74 020. Improved number of female condoms distributed</b>		<b>Meetings and workshops on reporting will be held to improve on data quality.</b>
<b>8. Number of new sexual assault cases has decreased from 860 to 796.</b>		
<b>9. Children under 12 years sexually assaulted is at 46%</b>	<b>The data reflects that 1 out of every 2 children is sexually assaulted this means that we have a region in crisis</b>	<b>Increasing awareness and social mobilisation, and prevention of sexual abuse.</b>

#### **Strategic Objective 5: Coordination, Monitoring and Evaluation**

<b>1. Number of Ward Aids Committees submitting</b>	<b>We have been unable to obtain some data from OSS.</b>	<b>We have created 18 Zonal Committees, in accordance to OSS who</b>
---	--	--

<b>reports to District Aids Council.</b>		<b>will also be reporting on the 103 Ward of the eThekwini District.</b>
