# SO3: Sustaining Health & Wellness

# Number of ART Patients de-registered due to death

# Business Sector Report

- We have decided to report the Business sector report separately as it is not included in the District Health information System data thus creating discrepancies between DAC and HAST data.

PROGRAMME	Q1 2014	Q2 2014
HCT	2711	2486
MMC	399	808
ART Initiation	15976	16157
Tested for TB	7	14

# SO5: coordination, Monitoring and evaluation

- The training of 71 Ward AIDS Committees (WACs) is due to finish in December making a total of 89 WACs trained.
- Once training is completed clustering of functional WACs into Zonal AIDS Councils will improve reporting.
