

# **HARRY GWALA DISTRICT AIDS COUNCIL PRESENTATION Q1 2017\18 TO THE KZN PCA 13 SEPTEMBER 2017**

**PRESENTED BY CLLR. M.E. NDOBE  
MAYOR OF HARRY GWALA DISTRICT MUNICIPALITY**

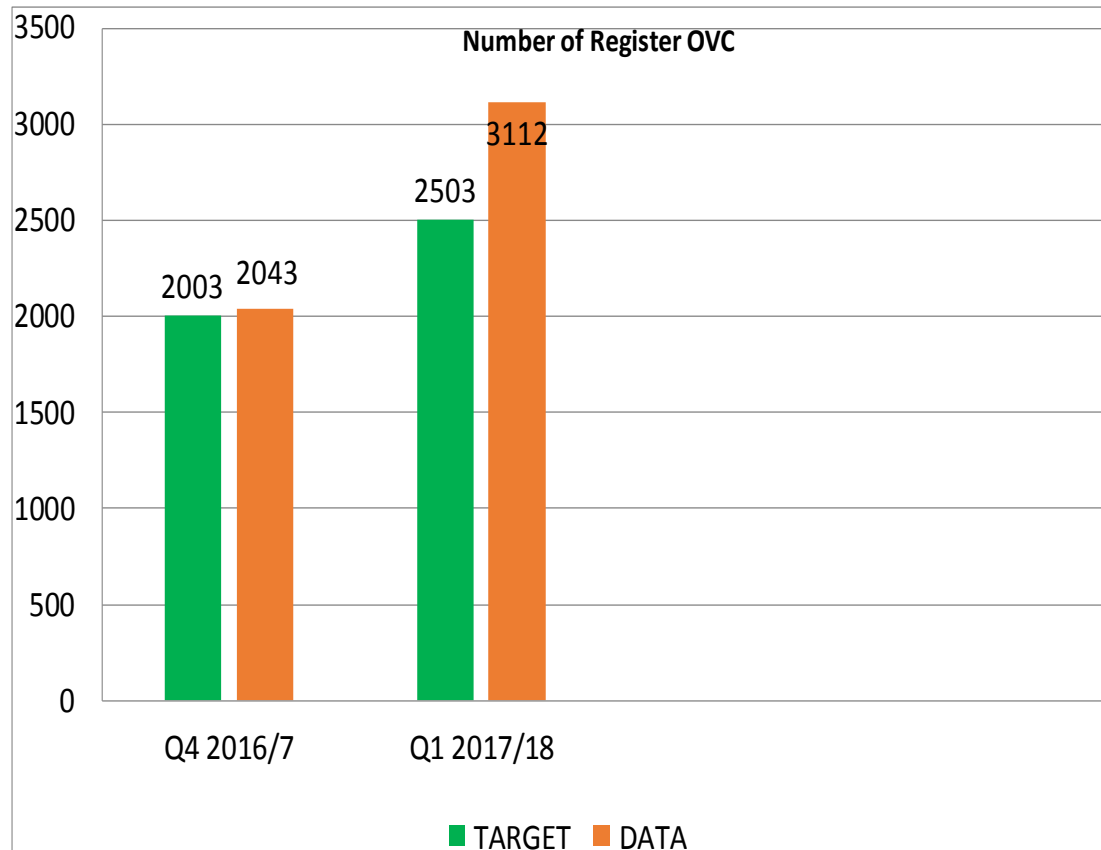

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

# Strategic Objective 1: Addressing Social & Structural Drivers of HIV & AIDS, STI & TB Prevention Care & Impact Orphans & Vulnerable Children

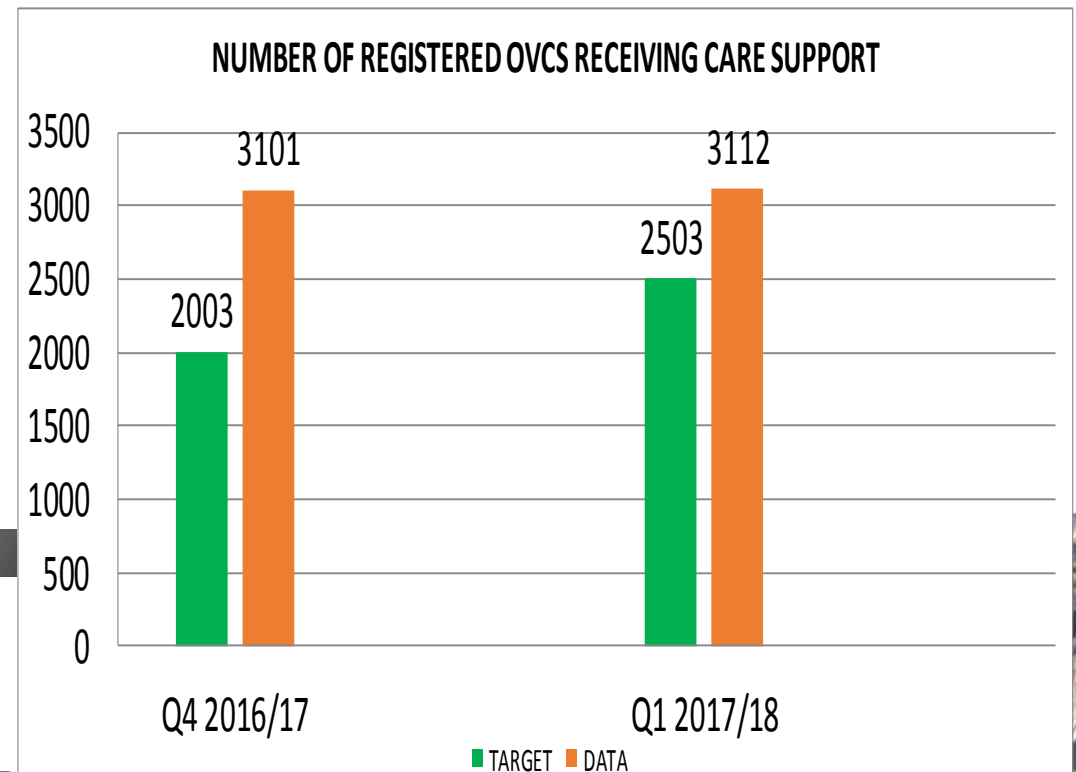

## DISCUSSIONS

- Target over achieved this reporting quarter.
- Target achieved due to 49 new ECD Sites funded in this financial year and 900 children are benefiting from those ECD sites.

## RECOMMENDATIONS

- To maintain the regular performance.

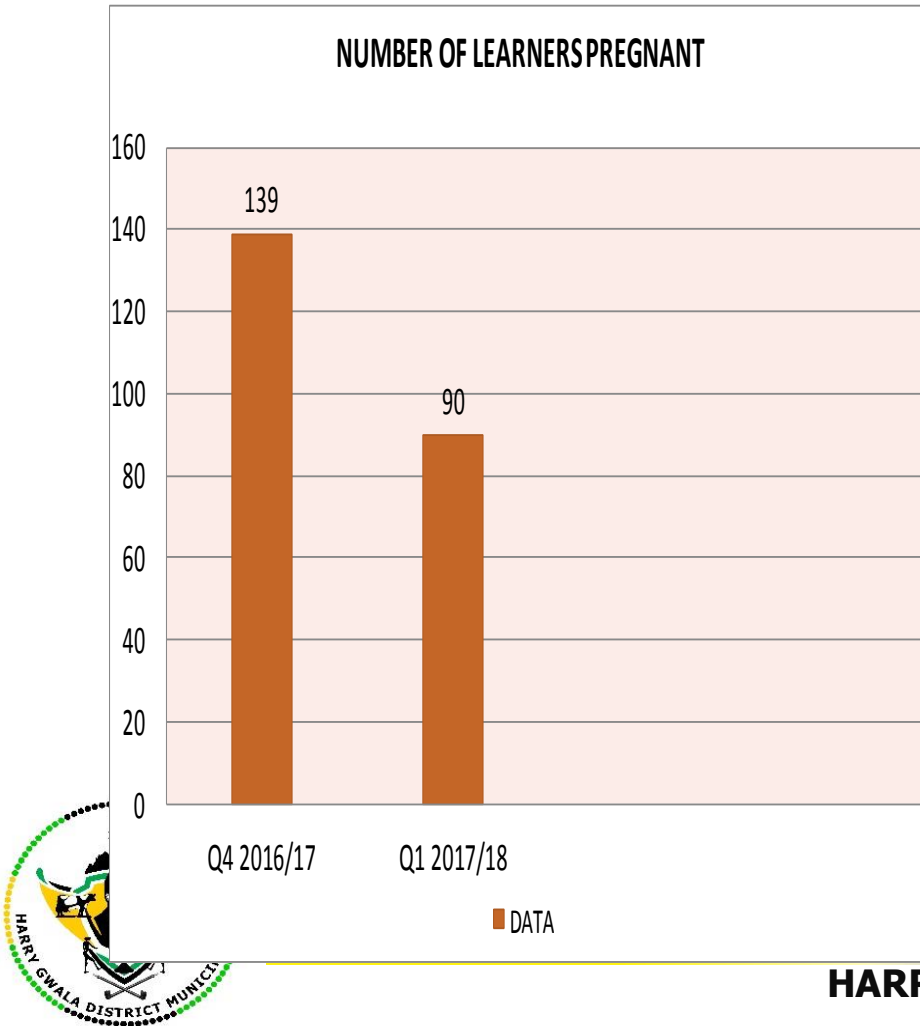

## Strategic Objective 1: Addressing Social & Structural Drivers of HIV & AIDS, STI & TB Prevention Care & Impact

### DISCUSSIONS

- There is a remarkable reduction in the number of pregnant Learners this reporting quarter.
- Local Municipalities still having a challenge to access information in this data element.

### RECOMMENDATIONS

- Monitor and strengthen AYFS (adolescents and youth friendly services) and happy hours that accommodate Learners during their convenient time.
- Stakeholders to attend war-room meetings especially DOE for the WACs to get number of pregnant learners.

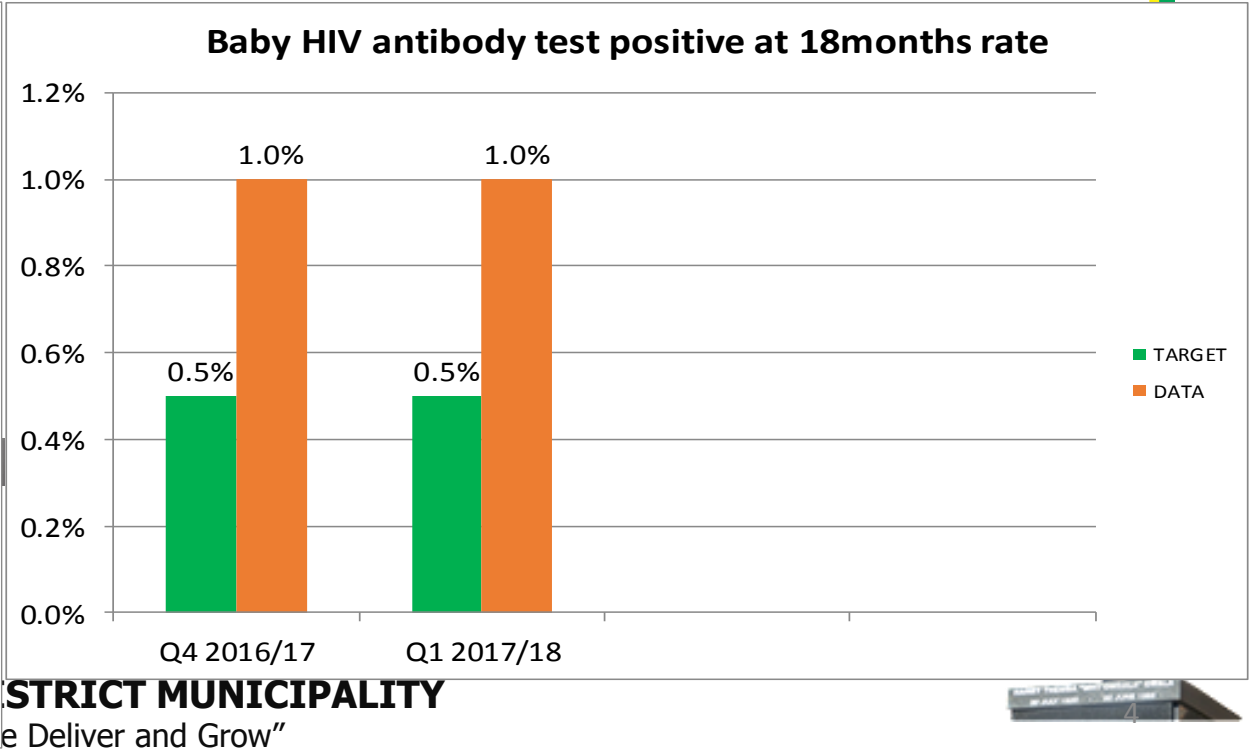

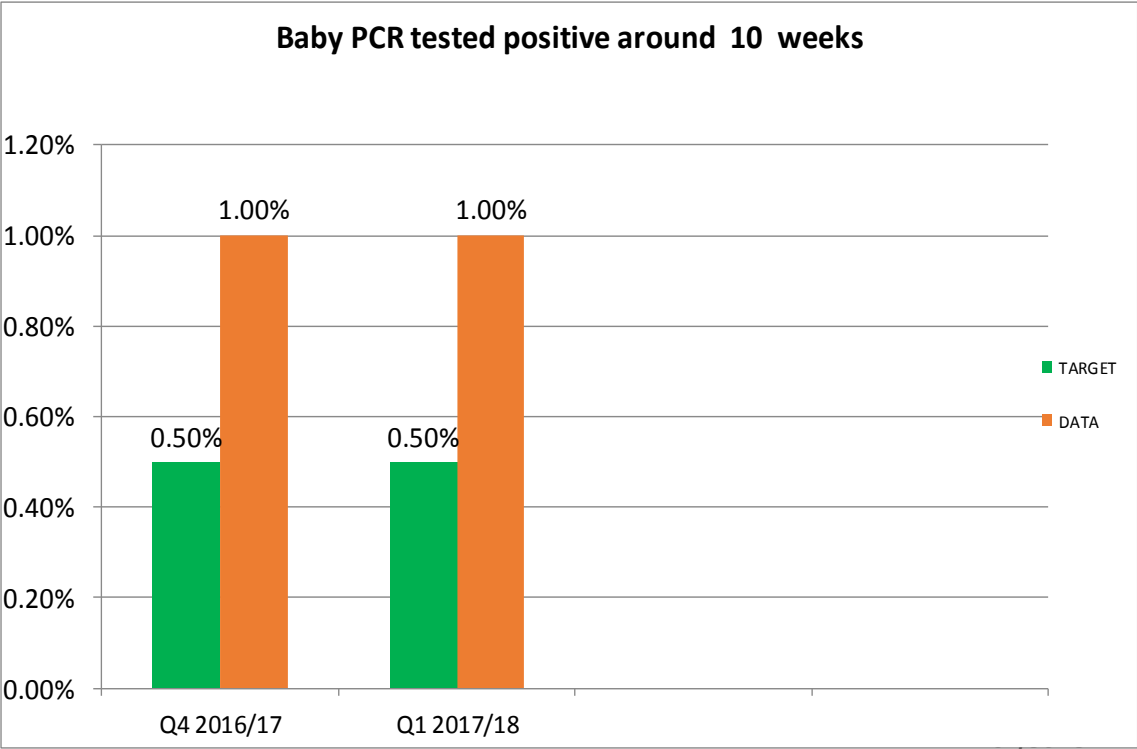

# Strategic Objective 2: Prevention of new HIV, STIs and TB Infections PMTCT

## DISCUSSIONS

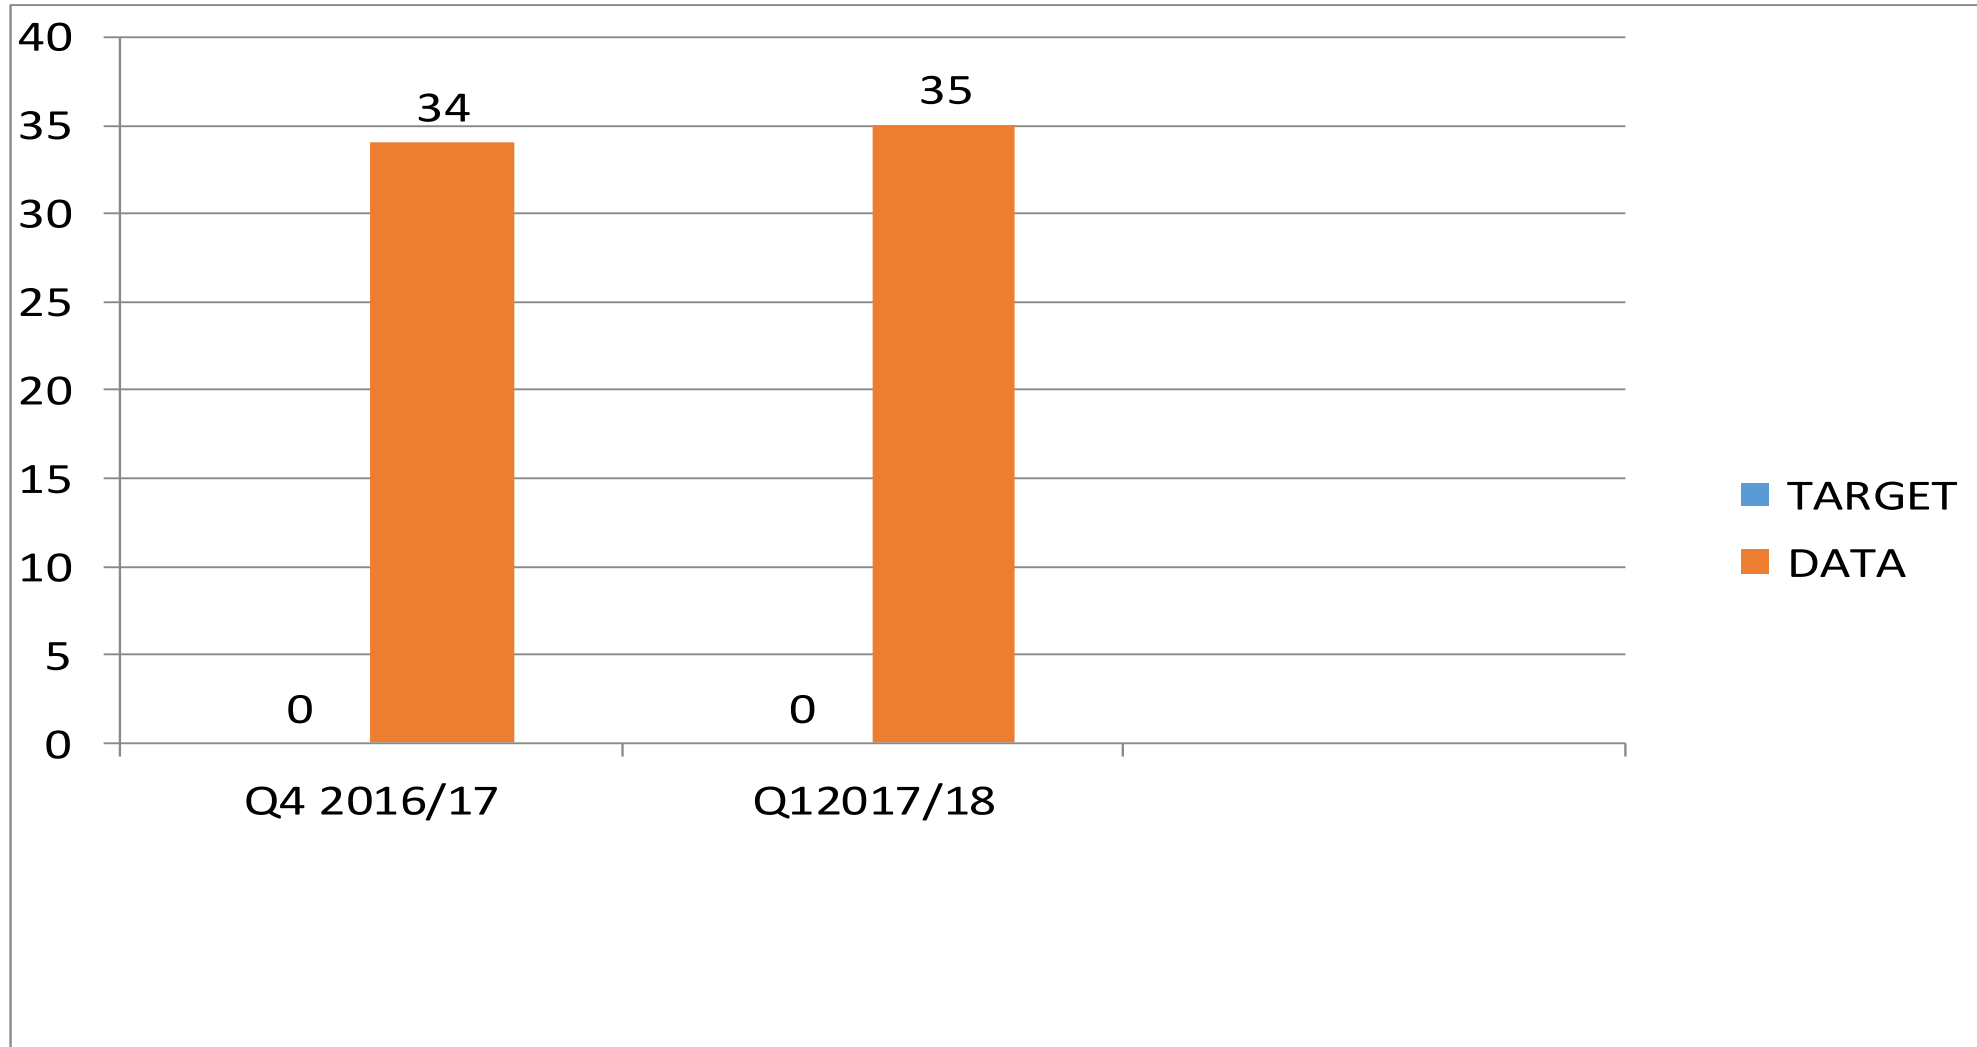

- PCR positivity rate remains 1% contributing sub-districts UMzimkhulu and Dr. NDZ.
- This is attributed by mix-feeding and poor adherence to treatment by breast feeding mothers.

## RECOMMNDATIONS

- Strengthen and monitor exclusive-breastfeeding
- Community dialogues to address the myths especially to breast feeding mothers.

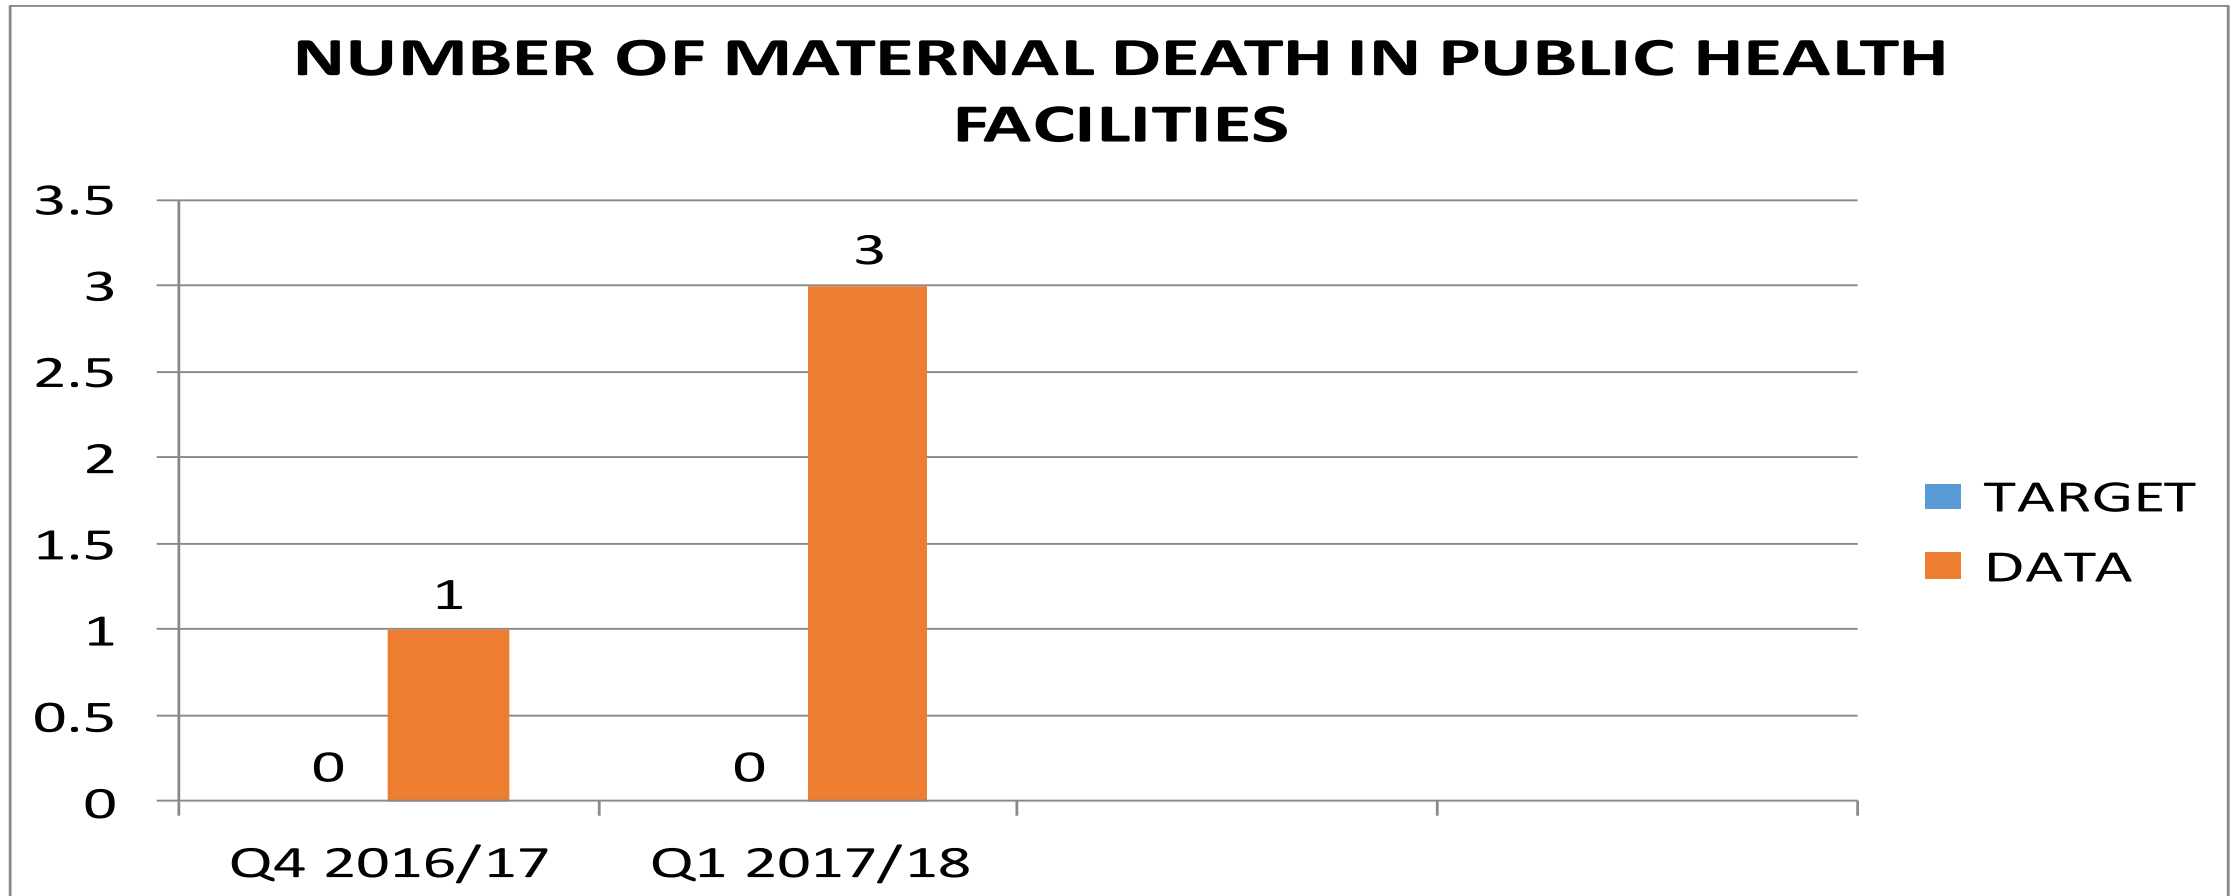

## NUMBER OF INFANT DEATHS IN HEALTH FACILITIES

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

## DISCUSSIONS

- Infant deaths are still a challenge however the District is working hard to reduce such.
- Neonates 0- 28 days contributing mainly due to inadequate facilities and lack of NICU (neonatal intensive care units) equipment.
- Number of maternal deaths =3, contributing facilities Rietvlei, EGUM & Christ the king
- Causes : two defaulted treatment and one was an acute collapse from non obstetric causes
- Insufficient beds for waiting mothers which contributes to maternal deaths.

## RECOMMENDATIONS

- Neonates early referral to facilities with Neonatal intensive care units where conditions deterioration is noted.
- Conduct perinatal meetings to scrutinize the causes of maternal deaths.

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

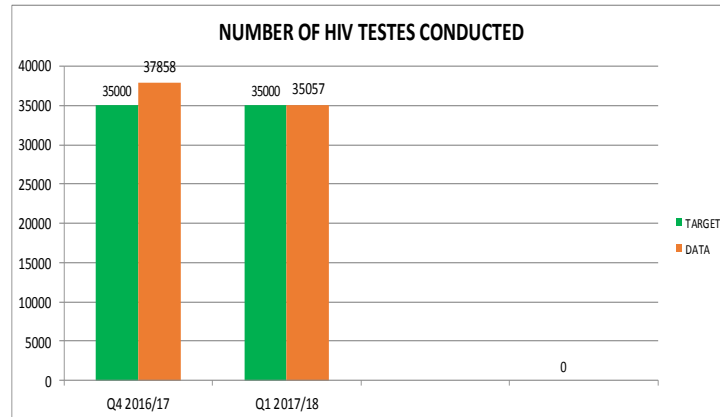

## DISCUSSIONS

- District performed above target although there is a decline compared to last quarter
- Most poorly performed Sub-districts is EGUM=2543 and CTK.=5069
- Number of HIV positive cases reduced
- Number of TB suspects tested smear positive=264
- Number of TB suspects initiated on treatment is 262 which accounts 98%, 1 died before initiation and 1 was loss to follow up.

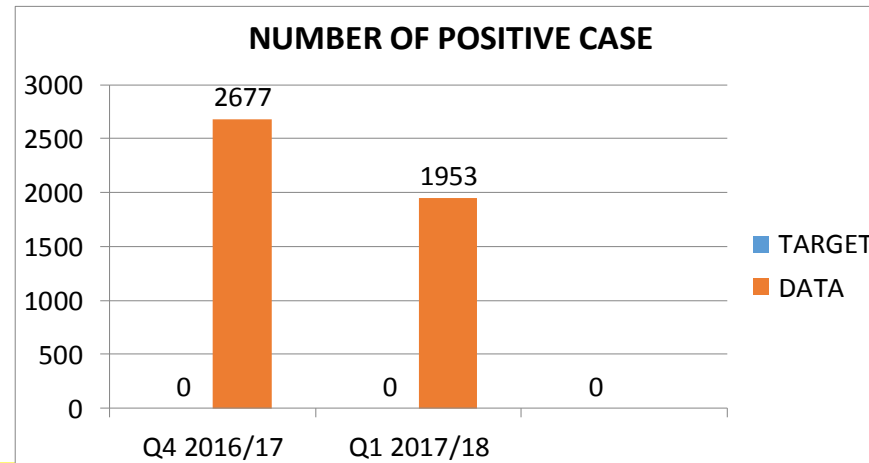

## RECOMMENDATIONS

- Quality improvement plan to be developed and implemented
- To establish contributory factors to the reduction of positive cases.
- Schedule nerve center meetings and monitor performance.

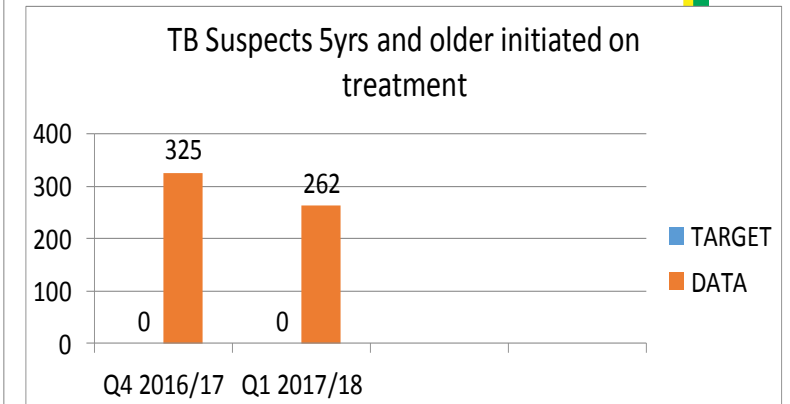

### Strategic Objective 2: Prevention of new HIV, STIs and TB Infections HCT & TB Screening

### Strategic Objective 2: Prevention of new HIV, STIs and TB Infections HCT & TB Screening

### Strategic Objective 2: Prevention of STI.s and TB Infections& TB Screening

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

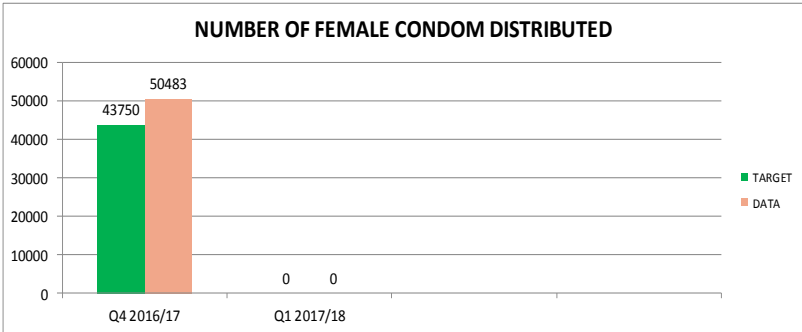

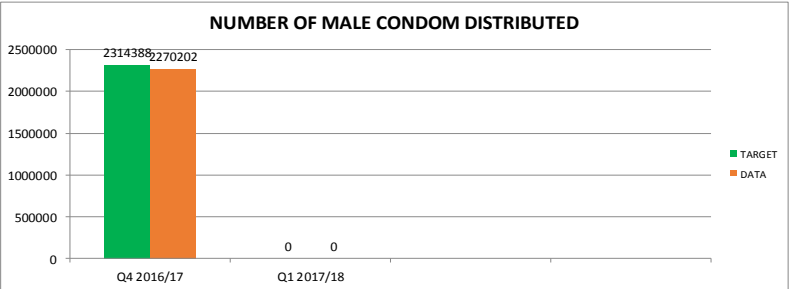

## DISCUSSIONS

- Due to introduction of web DHIS this indicator was not collected in this reporting quarter however both male and female condoms were distributed in secondary distribution sites as well as work place.

Strategic Objective 2: Prevention of new HIV, STIs and TB Infections Condoms Distributions

Strategic Objective 2: Prevention of new HIV, STIs and TB Infections Condoms Distributions

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

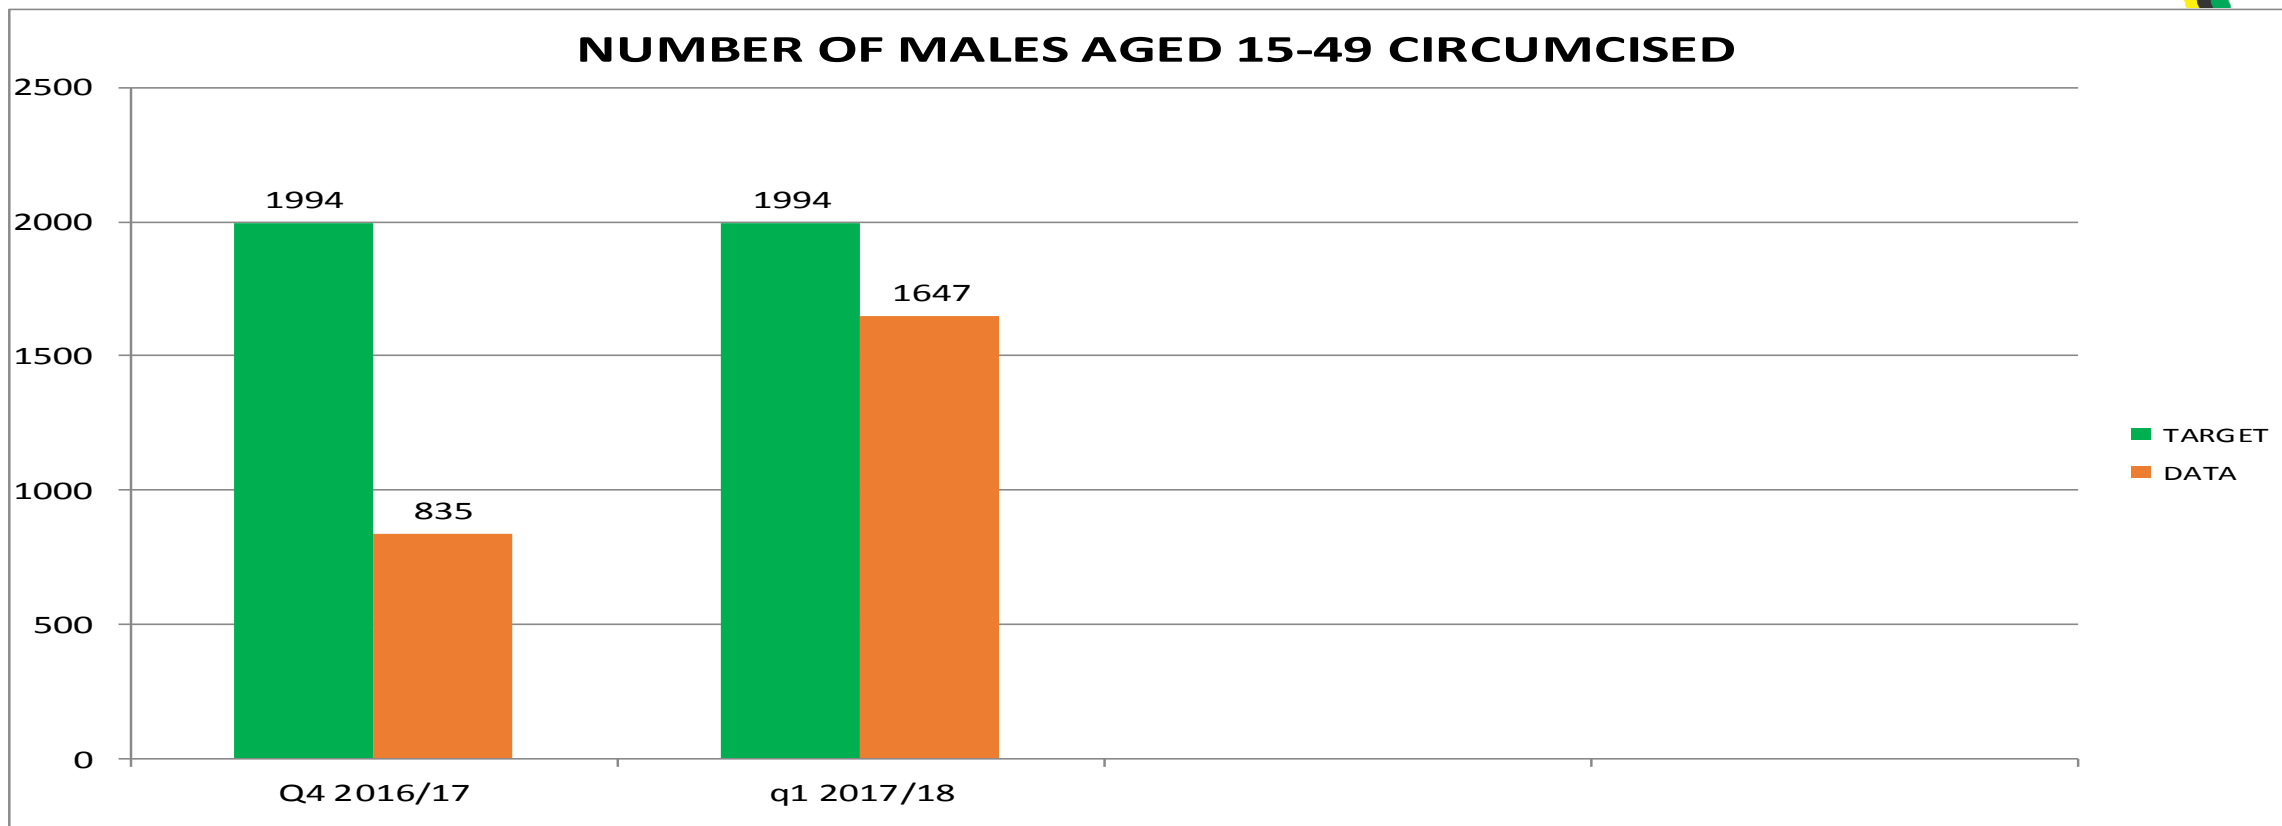

## RECOMMENDATIONS

- Both male and female condoms will be re-introduced in the next reporting quarter.

Strategic Object 2: Prevention of new HIV, STIs and TB Infections Condoms Distributions

	Number of secondary distribution sites
Q4 2016/17 (Jan-March)	500
Q1 2017/18 (Apr-June)	500

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

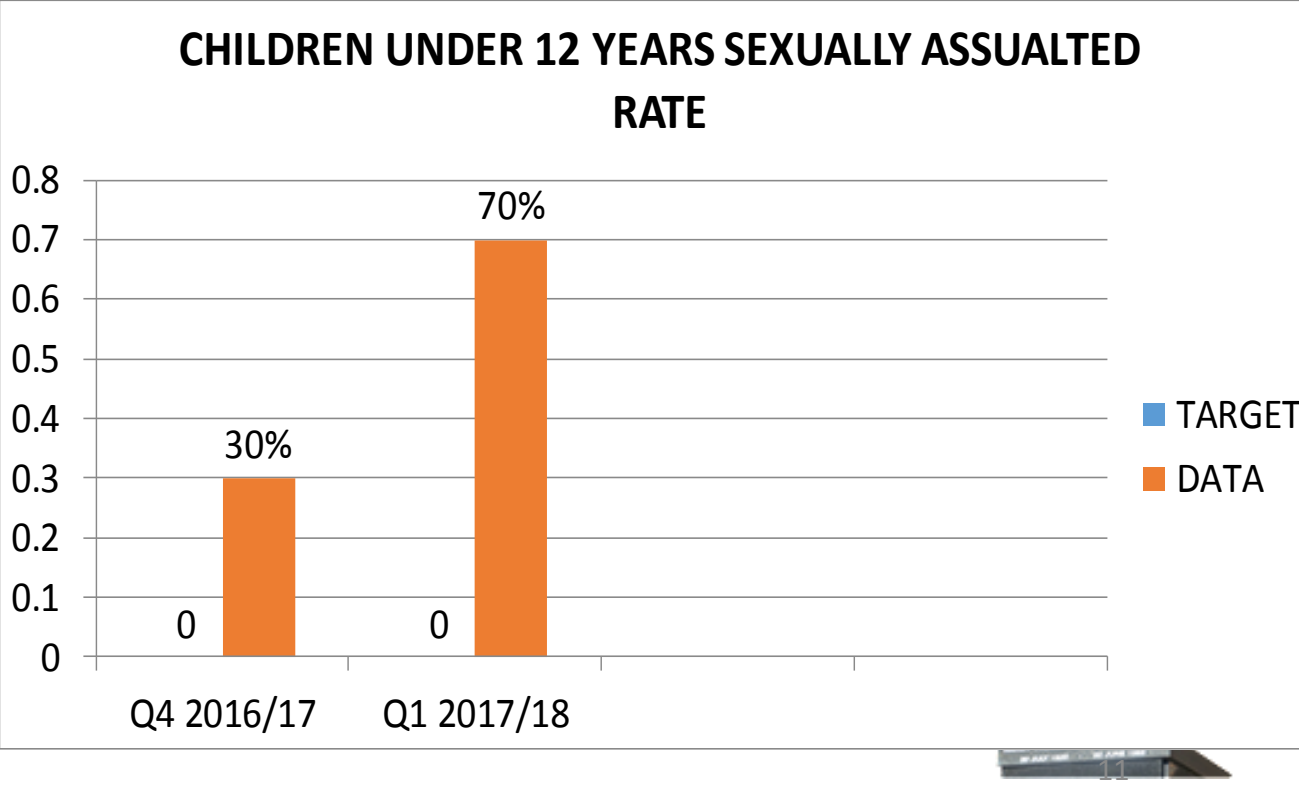

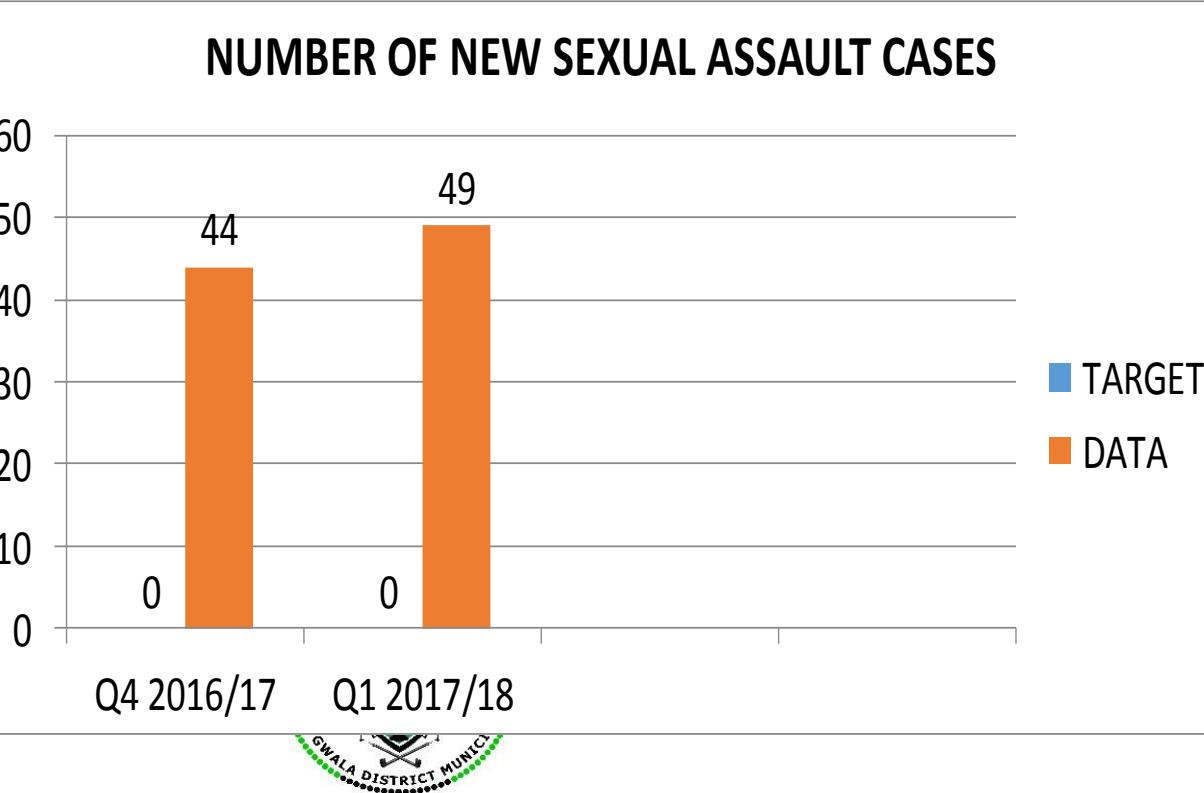

- DR. NDZ=17 3
- GKM=7 1
- NMZ=7 2
- NMZ=18 5

- Justice for persons facing the challenge and access to legal support.

Strategic Objective 2: Prevention of new HIV, STIs and TB Infections Prevention of Exposure to transmission from occupational exposure, Sexual Violence

Strategic Objective 2: Prevention of new HIV, STIs and TB Infections Prevention of Exposure to transmission from occupational exposure, Sexual Violence

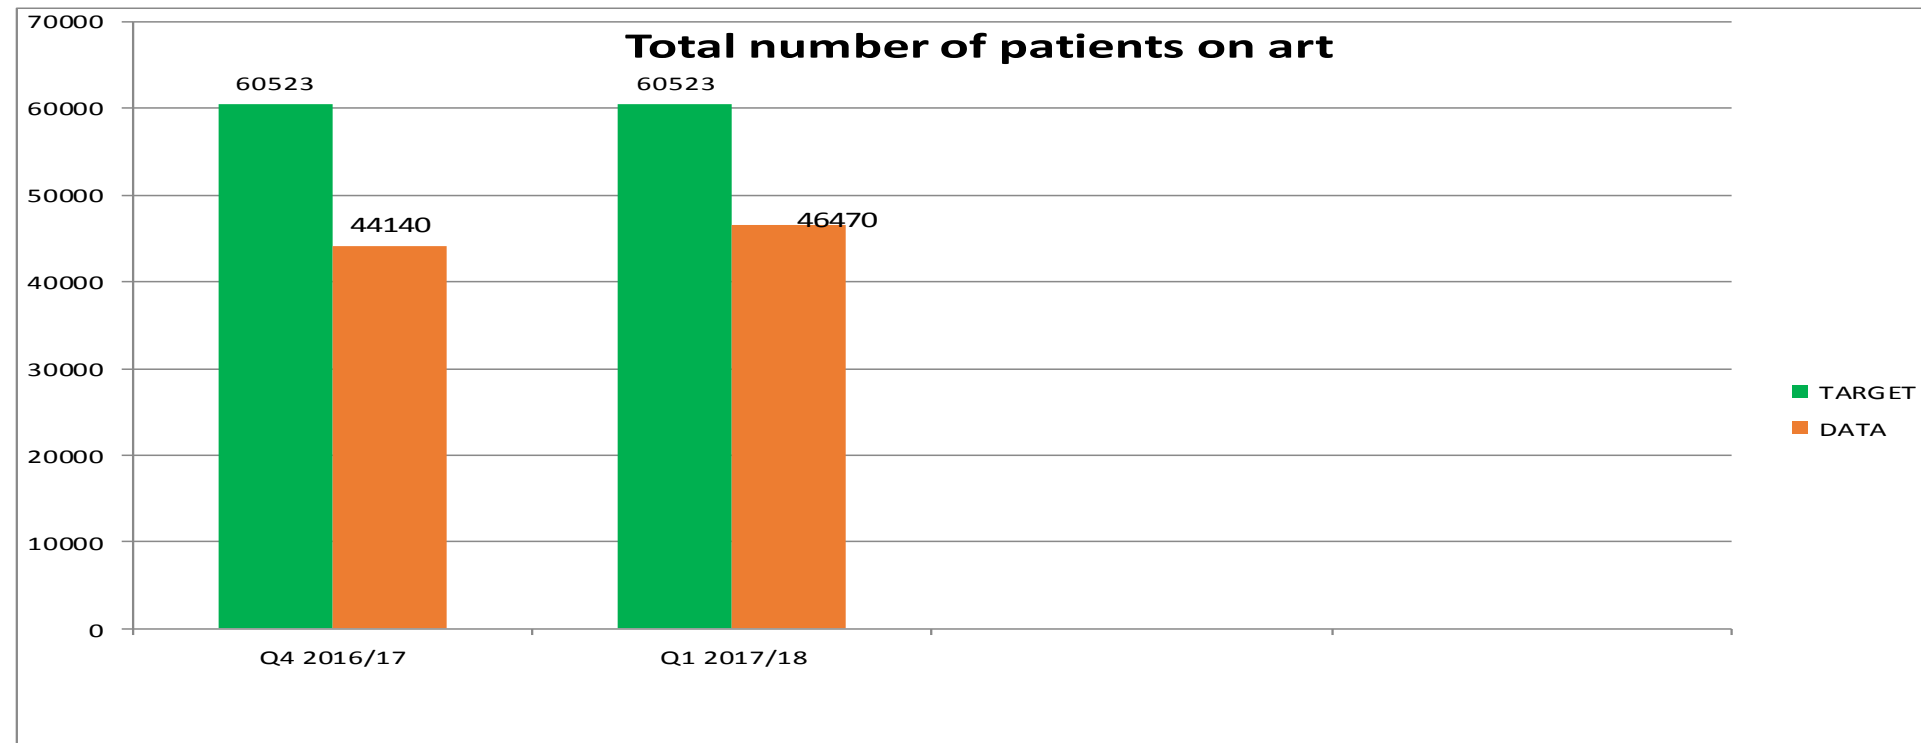

# Strategic Objective 2: Prevention of new HIV, STIs and TB Infections HCT & TB Screening

## DISCUSSIONS

- Target not achieved but an increase is noted compared to previous reporting period.

## RECOMMENDATIONS

- Strengthen HTS ( HIV Testing Services) will ensure that HIV positive cases are diagnosed and put on treatment timeously.
- Adherence guidelines at all facilities to ensure adherence and retention to ART ( Anti retro viral therapy).

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

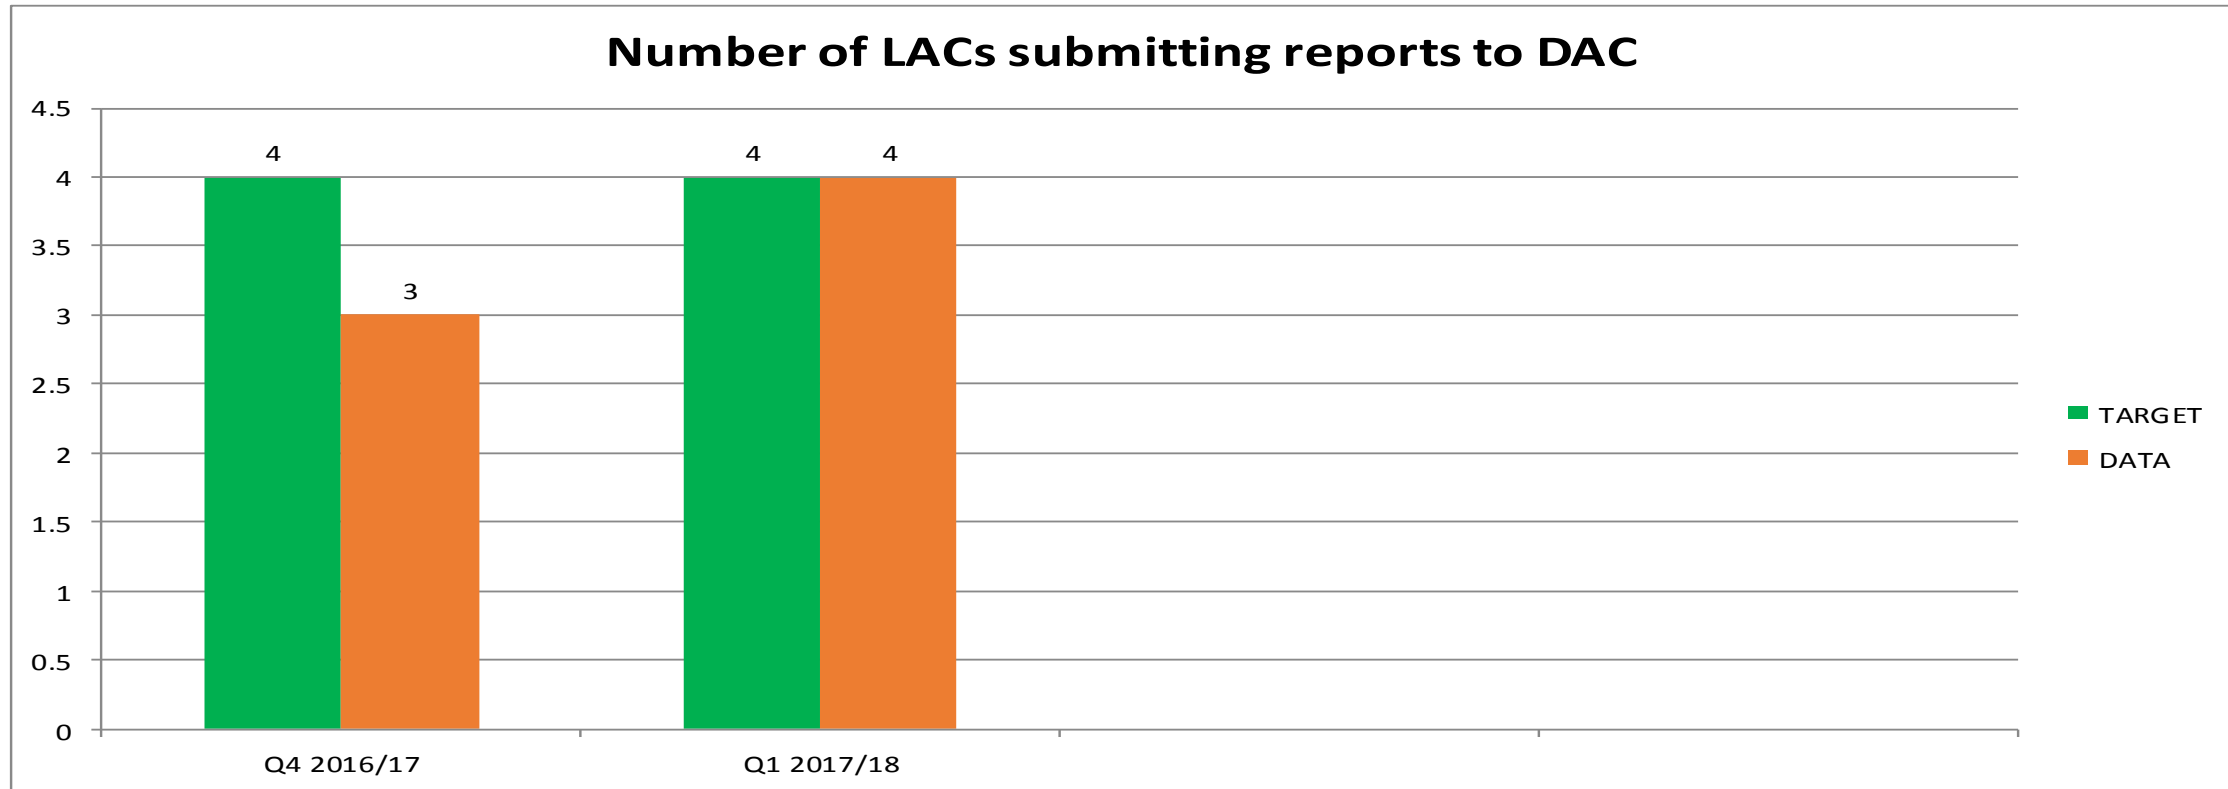

# Strategic Objective 5: Coordination, Monitoring & Evaluation.

## DISCUSSIONS

- All four local AIDS Councils reported this reporting quarter.
- This is resulting from LAC orientation presentations done by District AIDS Council secretariat

## RECOMMENDATIONS

- Nerve center meetings prior District AIDS Council to be strengthened.
- Local AIDS Councils to keep the status quo.

**HARRY GWALA DISTRICT MUNICIPALITY**  
"Together We Deliver and Grow"

# Strategic Objective 5: Coordination, Monitoring & Evaluation.

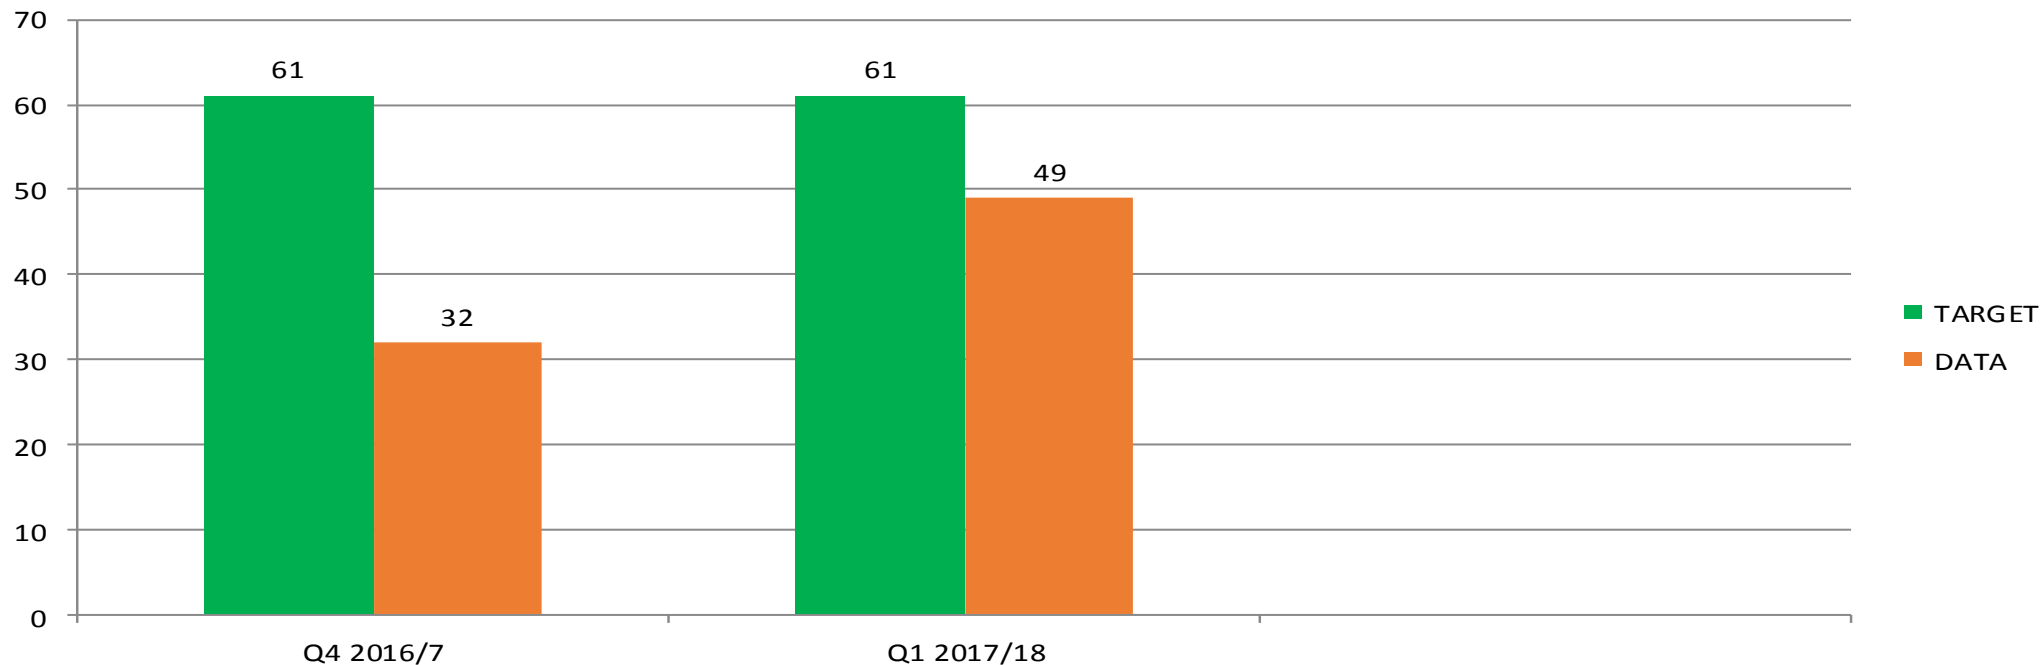

## Discussions

- Number of Ward Aids Committees submitting reports to LAC is low compared to the number of wards in the District.
- In most LACs the performance has been affected by the new Term whereby new structures has to be established.

## RECOMMENDATIONS

- Local municipalities to establish Ward Aids Committees to work hand in hand with ward task teams.
- Draw schedule of meetings and submit reports to Local Aids Council.
- Local Aids Councils to support and strengthen Ward Aids Committees.

**NUMBER OF WACs submitting reports to LAC**

# THE STATUS OF DISTRICT IMPLEMENTSTION PLAN DEVELOPMENT

- The District implementation plan development was scheduled for the 22<sup>nd</sup> of August 2017.
- DAC Stakeholders and Local Municipality Secretariats participated in DIP development
- The DIP development drafted was facilitated by M & E Team from the Office of The Premier.
- District is awaiting for the finalized document from OTP M & E Team

# THANK YOU

New HIV and TB infections

ZERO

New infections due to vertical transmission

ZERO

Preventable HIV and TB deaths

ZERO
