

**RESOLUTIONS AND ACTION ITEMS FOLLOWING THE
KWAZULU-NATAL PROVINCIAL COUNCIL ON AIDS (PCA)
MEETING**

**7 JULY 2021 AT ARCHIE GUMEDE CONFERENCE CENTRE,
MAYVILLE PUBLIC WORKS**

AGENDA ITEM NO.	ITEM	DISCUSSION AND DECISION	RESPONSIBILITY	PROGRESS
2.1	NATIONAL STRATEGIC PLAN DEFERMENT	Provinces to develop catch up plans	PCA Secretariat	SANAC has sent guidelines and KZN has developed its own catch up plan.
2.2	Q4 & ANNUAL 2020/21 PROVINCIAL SYNTHESIS, PEPFAR AND GLOBAL FUND REPORT	KZN Treasury to apply as PR for Global Fund	PCA Secretariat and Civil Society	A meeting took place with Mr Mdletshe on 12 May 2021. The meeting resolved that the Office of the Premier rather than KZN treasury to consider applying for Global Fund.
		Global Fund to review and reconsider the decision to leave out iLembe on the Global Fund.	PCA secretariat	PCA Secretariat submitted Request for Funding (RFF) for iLembe District and it was declined by CCM because the District is already being supported by PEPFAR on Sex Worker Programme
		Amajuba districts have not held a District AIDS Council meeting for the financial year 2020/21	PCA secretariat	DAC Meeting not held yet at Amajuba District, but DAC Strengthening was done for the District on the 21-23 September 2021.
		Impact of economic relief given to women to fight GBV. (Focus on one area)	PCA Secretariat	Office on the Status of Women and Children coordinates GBVF in the Province. A full report will be presented in the PCA on 13 April 2022.

2.5	MECS AND DISTRICT MAYORS INPUTS	The indicator on malnutrition to be brought back	PCA Secretariat	Districts reported on data on malnutrition. Severe Acute Malnutrition inpatient under 5 years – Quarter 3 2021/22 = 447 Severe Acute Malnutrition death under 5 years - Quarter 3 2021/22 = 422
		Mayor's presentations template for the PCA meetings to be standardized	PCA Secretariat	All District were guided on the Mayors report and they are using the standard template
		The issue of young girls between the ages of 10 – 14 years falling pregnant is a concern. There should be targeted focus to address this area. OTP to lead assisted by DSD, DOH, Community Safety, SAPS and NPA. A proper plan should be developed on what is to be done.	PCA Secretariat OSW	<p>OTP consulted DSD, DOH, Community Safety, SAPS, DOE and NPA to obtain the exact statistics on children who have fallen pregnant between 10-14, progress reports were disaggregated by the District Municipalities below are key finding reports obtained from Departments:</p> <p>NPA – will put unresolved cases back into the court roll</p> <p>Education – will encourage young girls to go back to school through the back to school campaign</p> <p>DSD – will enrol young girls to parenting programmes</p> <p>Health – will encourage young parents to vaccinate their children and consider taking up contraceptives</p> <p>Office of the Premier – Office on the Status of Women and Children developed a reporting template to</p>

				<p>monitor progress for each Department on quarterly basis through GBV Technical Working Group. Some of the indicators collected for October-December 2021 are as follows:</p> <p>1)Number of statutory rape case opened - 45</p> <p>3)Number of girls who attended ANC-8130</p> <p>4)Number of convictions made-01</p> <p>5)Number of arrests done - 25</p>
