PILLAR 6: RESEARCH AND INFORMATION MANAGEMENT

Activities on Information Management and Research

Key Activity

Identification of knowledge gaps and coordination of the Provincial research agenda for optimally sharing existing and emerging evidence and encouraging areas of further inquiry that could be taken up by academic and research institutions

A SOCA meeting was held with NPA, DSD, OTP AND DOE-
Emanating from the meeting were the following gaps:

- DOE Sexual Harassment policy does not seem to align to the Sexual Offences Policy. Their definitions of rape, harassment and sexual assault differ.
- There are discrepancies in statistics reported by NPA, DSD and DOE in respect of number of children sexually assaulted by educators.
- There is no policy or guideline that assists SBG's at schools regarding disciplinary of SBG hired staff.

RECOMMENDATION

- It is recommended that the Provincial Council on AIDS notes the Quarter 1 (APRIL TO JUNE 2022) progress report on GBVF programmes implemented by government departments, civil society organizations.
- It is recommended that implementers of GBVF programmes indicate the population size estimate of the target for coverage to be determined which will determine resources.

THANK YOU
