ACHIEVEMENTS/SUCCESSSES

- Implementation men's health services, one facility per LM
- Roll out of safer conception Programme to all Sub – districts
- Jozini , Mtubatuba and Hlabisa Big 5 LM Conducted GBV awareness in collaboration of stakeholders

Future Plans

- The DAC meeting to be held in 26 October 2022
- Men's Launch at Jozini (Biva hall) with the intention to give them platform to voice out their concerns, also to be heard , encourage discussions to talk about GBV and prevention thereto. This platform will afford men to elect the men's forum that will sit quarterly.
- Men's dialogue at Dukuduku – Mtubatuba , as it was identified as hotspot for rape and crime , to be held on 14 July 2022
- Traditional Health Practioners Training workshop, facilitated by THINK on issues of TB and HIV/ AIDS at Mtubatuba in August 2022
- Women's day celebration in the form of dialogue, to be facilitated by NYDA , aimed at women empowerment . To be held at Vezobala Town Hall- Mtubatuba on the 8th of August 2022
- To launch a women's forum , that will discuss women empowerment, GBV and other social ills . All Jozini wards to have 1 representative
- To Launch the business forum with the intention to interlink with the Municipality and also encourage business Sector to give back to the community of Jozini, planned to be held in September 2022

Challenges

- DAC meeting did not sit for the reporting quarter
- There has been no report received from Civil Society in this reporting quarter
- There is no budget for the financial year 2022/23

THANK YOU
