AGENDA ITEM NO.	ITEM	DISCUSSION AND DECISION	RESPONSIBILITY	PROGRESS
2.2	2017 – 2022 and Q3 2022/23 Provincial Synthesis, PEPFAR and Global Fund Report.	There is a gap of donor funding and supporting partners in iLembe District hence the Districts AIDS Council report has a lot of reds in it	PCA Secretariat and the TWG on HIV and AIDS TB and STIs	<p>Consul- General had a meeting with the HOD: Health with an intention to get donor funding for iLembe District</p> <p>OTP HIV & AIDS Directorate has commenced with Focus for Impact studies which is tool to advocate to request for funding</p>
		COGTA and Sports and recreation to become part of the Technical Working Group and take part in the response of HIV	PCA Secretariat and the TWG on HIV and AIDS TB and STIs	<p>These departments have been considered in the next TWG Terms of Office</p> <p>1) Agriculture and Rural Development; 2) Justice 3) COGTA;4) Sports, Arts</p>

				and Culture. The process will be aligned with 2023 -2028 HIV and AIDS, TB,STI and other emerging pandemics Multisectoral Provincial Implementation Plan 2023 - 2028
2.3	Q1 & Q2 2022 /23 Provincial Civil Society Report	Former Premier committed to sustain Kwa-Muhle Museum and the Premier is invited to visit Kwa-Muhle and inherit the commitment.	PCA Secretariat and the Technical Working Group (TWG) on HIV and AIDS TB and STIs	Concept paper has been developed which stipulates all the needs at KwaMuhle Museum and Departments involved. PCA Secretariat is in the process of engaging all parties on their role and in preparation for the Premier's visit

AGENDA ITEM NO.	ITEM	DISCUSSION AND DECISION	RESPONSIBILITY	PROGRESS
2.5	MECS AND DISTRICT MAYORS INPUTS	Introduction of key performance Indicators for MEC and Mayors to enforce accountability for Council meetings.	SANAC SALGA	SANAC is developing a Procedural Guidelines which includes Governance, Leadership, Coordination and

				<p>Accountability which all Provinces will align with including KZN</p> <p>In KZN this framework will form part of the new Provincial Implementation Plan and will guide in the accountability of Political Leaders including performance indicators Political Leadership</p>
		<p>PCA to advocate for the revival of Abstinence Behave and Condomise</p>	<p>Department of Health</p> <p>Civil Society</p>	<p>The Department is ready to revive the ABC and D messages, but these will be an integral part of the Behavioural Change Communication which is conveyed through various structured platforms within the department, i.e. girls and young women dialogues, Ixhiba lamakhosikazi, Isibaya samadoda, Ikhosomba lamajita, radio activations and printed Information, Education and Communication materials.</p>

				Messages will be both for children, young adults, parents, and guardians.
		<p>Department of Health to check if they can add on Auxiliary Health Practitioners and to report on the next time.</p> <p>MEC requested a meeting with Civil Society to discuss mental Health issues</p>	Department of Health	<p>The Department is training 245 lay counsellors to be social auxiliary workers in order to assist with various health and social challenges at health facility level.</p> <p>This cadre will work with the existing social workers employed by health. The Department of Health is also in a process to employ 245 trained Enrolled Nursing Assistants (ENAs) that were part of the COVID Teams in all 11 districts. These were employed on temporary bases but will now be employed permanently.</p> <p>The Department has seen the need to have standing meetings with the Civil Society in ensuring that challenges</p>

				<p>in implementation are addressed efficiently and effectively.</p> <p>The initial plan is to have the minimum of two meetings a year with ad hoc meetings as the need arise.</p>
5.1	REMARKS BY THE PREMIER	Districts to sit in their DAC meetings to also focus on poor performing areas in their reports and re-strategize. Mayors to be part of these discussions and the special focus should be on plans for Teenage Pregnancy and School dropouts.	District AIDS Councils	<p>In the next PCA meeting the expectation is for the Mayors to report on the underperforming areas and the interventions – 23 August 2023</p> <p>This communique was shared with all the District AIDS Coordinators in preparing for these high-level reports. All Districts have prepared less than 10 slides to report on the poor performing areas</p>
