# PROVINCIAL SUSTAINABILITY PLANS FOR THE NSP & PIPs

- NSP requirement for continuation and transition of programmes for sustained implementation.
- Sustainability Framework for 2021-2023 developed at national,
- Currently being updated to align to the new NSP,
  - This is due to the new indicators and definitions
  - Consultant appointed – Paul Booth
- Next to support provinces to develop their Provincial Sustainability Plans aligned to the PIPs
- Initial provinces will be KZN, GP and WC due to their vastness and donor support
- Process will be supported through the Global Fund – Consultant already contracted
- Provinces to establish Sustainability Steering Committees to oversee the process,
- Dates to commence this work will be communicated with the provinces
- Work to be provincially lead by the PCAs working with the Resources Mobilisation Committee (RMC)

# POVINCIAL RESOURCES MOBILISATION COMMITTEES (RMCs)

- Also, a recommendation of the new NSP,
- All PCAs to setup their RMCs,
- Recognition that some provinces have already setup their RMCs e.g. GP, WC and FS,
- National RMC has approved interim Terms of Reference (ToRs) for Provincial RMCs in line working on the national TORs,
- SANAC is reviewing the Procedural Guidelines through the SANAC standardisation project and this process will update the RMC ToRs,
- Key recommendation is that all RMCs should be chaired by the MECs of Health and co-chaired by elected CSF member

# SANAC STANDARDISATION PROJECT

- SANAC's current governance tools have been found to be limited to hold stakeholders accountable and as a result SANAC Plenary took a resolution to standardize all its structures at all levels of the response
- The Standardisation project includes the development of a National Multi-Sector Policy Framework accompanied by review of the SANAC Procedural Guidelines,
- Overall, the Policy Framework will among others:
  - Provide an enabling policy environment to coordinate and guide the multisector HIV, TB and STI response,
  - Describe governance, leadership and coordination arrangements for the response in the country,
  - Outline accountability mechanisms for the multi-sector response and describe consequence management for non-compliance,
  - Ensure that all SANAC structures are streamlined and fit for purpose to achieve their mandates,
  - Procedural Guidelines are revised and become a backbone of the Framework
  - Outline the rules of engagement among all the structures of SANAC
  - Outline standardised approach towards the strengthening of the AIDS Councils including SANAC and all its sectors,

# PROJECT PROGRESS UPDATE AND EXPECTATIONS

OUR ACTIONS COUNT
