## Deliveries 10-19 years

High child and teenage pregnancy has been noted in the district

- 12 Awareness campaigns were conducted in various school (Sinamuva H, Thobigunya H, Amalangenani H, Mansfield P, ZuziceboH, Jolwayo P. Nobamba H, Inani H, Mbambi H, Mlonde H, Bomvini and Sihle H School) covering all LMs, reached 1822 learners. This was done and currently being implemented collaboratively by all district stakeholders
- Learner Support Agents in 18 schools conducted awareness campaigns on teenage pregnancy, sexual assault and GBV
- 8 Community dialogues have been conducted covering all LMs
- Peer education workshops were conducted in schools
- Life orientation educators were trained to implement comprehensive sexuality education

Learners being entertained during teenage pregnancy discussion in the Career expo

Career expo programme and awareness on learner pregnancy was discussed

Municipality**

# TB lost to follow up

## High lost to follow up in the past quarters

- Awareness's on TB was done in almost every facility in the district. Continuous screenings were also done during TB month.
- Mayoral Izimbizos between April and May were used to share HIV and TB information covering 32 wards
- Data verification and data clean up was done on identified facilities with data errors negatively impacting the indicator.
- District Supporting Partner (Isibani Partners) commenced work in the District in support of the TB Programme .

## Medical Male Circumcision

- Male circumcision was noted to be low within the district. Various sensitizations were made at the local levels
- VMMC campaigns conducted in Gamalakhe Sports and Leisure centre, Qinabout hall, Mfundo Lushaba CHC
- Conducted awareness campaign at Kasified Shisanyama about VMMC to males

VMMC campaign in Mfundo Arnold Lushaba

VMMC activation campaign in Ugu Sports and Leisure Centre

## Maternal death in facilities

- Maternal death has been escalating from the past financial year, however a slight decline has been noted in past quarter
- Awareness were done monthly to capacitate community importance of early ANC bookings before 20 weeks. This is done in all through CCGs, community engagements, as well as radio slots( in Ugu Sunny South and Ugu Youth Radio)

# THANK YOU
